

Old Settlers Mud Volleyball
August 10th and 11th 2007
Pine Park – Halstead Kansas
MUD VOLLEYBALL RULES OF PLAY!!!!!!

Depending on the amount of teams registered, we may start pool play on Friday evening, August 9th. If so there will be a short Team Captain meeting for the teams playing on Friday at 5:00pm. For the remainder of the teams, there will be a team captain meeting at 7:30am in front of the flatbed by court #1. After the meeting the starting teams must get ready to play and the assigned officiating teams in place to officiate. There will be HHS volleyball girls and parents available to assist teams uneasy about officiating.

All players are recommended to wear shoes. No steel/metal cleats allowed. It is advised that you duct tape your shoes around your feet. Water socks may be the best. Bring goggles, knee pads, sunscreen, and sun glasses.

OVERALL: Play will follow USAV guidelines with special modifications for the mud.

TOURNAMENT FORMAT:

Round Robin Play: There will be 6 teams per pool with each team scheduled (5) games in round robin play. Each team will play each of the other five teams assigned to their court *two* games to 25 points starting at “0” using rally scoring.

Seeding: All teams will advance to a single elimination tournament directly following pool play. The teams will be seeded according to their win/loss record. If two (2) teams are tied between win/loss record, the team that gains the highest seed will be the team that won the head to head match up between the two (2) teams. If more than two (2) teams are tied then the team with the greatest point spread will be the highest seeded team. If ties can not be broken then a flip of a coin will determine the highest seed.

Tournament Round: Each team will be guaranteed at least one (1) scheduled game in the tournament. The tournament will be single elimination and will begin as soon as the bracket can be formed and posted. Awards will be given to the champion and runner up in both the Competitive and Recreational divisions.
